

2017 Resilience A W A R D

honoring young women
for Resilience in the Face of Adversity

*It's What You **DO**
That Counts!*

Are you a young woman graduating from high school this spring who has shown resilience and determination to overcome challenges? Chosen hope instead of despair? If you are a young woman who believes in the resilience of the human spirit, then you may be eligible to win a **Soroptimist Resilience Award.**

This award recognizes young women who have shown resilience and determination in overcoming difficult obstacles to completing their high school education and are seeking to gain additional skills, training and education. This is not a scholarship, but rather a cash award to offset any costs associated with the recipient's efforts to attain higher education, including tuition, books, supplies or transportation costs.
